THE MANIFESTATION OF THE KINGDOM OF GOD

IN THE CHURCH

side 1

“THE PERFECTION” “The outer court” our fallen body.

By Arturo Bravo, www.predicalasnaciones.org

Ministry, Venezuela. Year 1984

INTRODUCTION: Ro: 1:23, 2Co 4: 3-6, Heb 10: 14-16

It is necessary to know the shade of the celestial things (what we "were" in the old man) not born again, what we were before believing in the Lord, to understand the new life that is in our hearts, Its demands, and the reason of why He is the truth.

The man was made ACCORDING to the IMAGE of GOD. The new life that we received in the new birth is PERFECT. It is His will that we walked IN PERFECTION, and to be perfect. To understand what perfection is, is this first part of in the route to perfection (but you have to

study sides 2, 3 and 4 of these series to complete your full process and realization. This is a study that will give you the tools to enter **IN THE FULLNESS OF GOD**. To walk in His fullness, "in perfection", to be perfect; His image... But? , How do we enter there? what to do? what we will be in that fullness?... These are queries that have the answer in the word of God. "The truth will make you free"....

Here in this first side of this study, it begins speaking to us of what we are as a fallen creature, to be able and to find this way the answer in the Holy Spirit life. He will guide us to "all truth", to "His fullness or image". Many of us know that we should enter in Him, but if we don't know what it is like there, and how and what should us be conformed to His image, we won't be able to enter fully into Him.

We without having entered before to His fullness **IN EXPERIENCE**, we ignore what we will be there in that glory; this gives us to say that we need the formula, The map, the planes, "the word of God" (the understanding of it), so that we could manifest and couple ourselves to the perfect image of God in us.

If we were able to know what we are now being outside of Him... because "we are not right now in experience **IN HIS FULLNESS**", to "the image that reflects Christ's life **IN US**", our exterior image would be the one of "the inside" and the old man will stop to be **PRACTICALLY**. It will stop to exist by action of the resurrected life and image of God. The old life should be coupled to the new when walking in it, so that the fights ceases between the flesh and the Spirit because of this.

However, it doesn't mean that once you understood the image of God in you, it will stop having new battles. The new battle will be of staying and remaining stable, **BEING AND LIVING IN THE PERFECT IMAGE OF GOD**, once Remaining **IN THE SPIRIT** the whole time (His life). Satan (the spirit of lie) will try to separate you from that glory, so that you were not seen yourself in the new creation (which is The Christ). That would be like to say so, you still believing that you are walking according to the flesh, and that you are not **PERFECT IN HIM**; **SO THAT YOU TRUSTED IN YOURSELF AND NOT IN HIM (TO THE LORD on what He says or IS actively)**.

Whenever we enter into a new experience or new dimension in the Holy Spirit, it comes a period of testing so that those truths became real in your heart for the whole eternity experimentally. So that the mortal or carnal didn't mix with the immortal being with the eternal thing. To separate them.

In this way, that of you, won't be with what is of the Lord. This way until your walk would be the Lord's and not your own but HE in you. The flesh has to be held to the Spirit, but our frustration is that our life OR SELF or soul do not get rest since our souls are not according to the Spirit, but in itself (or slave of the sin), "THIS MEANS IN THE FLESH". As a consequence comes the condemnation and the feeling that you were separated from the creator. Our spirits should light to our soul (to our "SELF or to what means ME"), so that the soul knew the life of the Holy Spirit in us (you won't walk this way anymore according to the law, but according to the Holy Spirit) Not more the law! Ro 1:8-4. You will no longer be measured according to the letter, the law or commandments that are the TUTOR to take us to CHRIST HIS FULLNESS, (Galatians 3:24), by means of your faith (Ephesians 4: 11-16), if not according to if you walked in HIM or don't. The life of the Spirit will be This way our soul and not of itself, amen? .

It is for this reason that there are many that experience, or try to walk in the Spirit life and they don't achieve it, or, in other sense that they know that it is necessary to enter in Him in HIS fullness (of God) experimentally, and they don't know HOW still. They see this fullness from a distance, That is "The promise".

All this happens because they don't know their new spirit inside them, "The image of God"; perhaps you believe that it is not necessary to read, this first study, and that what you know of the Cross teachings then you already have enough! but you make a mistake!. This is more than it!

It is a primordial base we knew what we were in the flesh (the shadow) to understand the goodness of God's will and the why it is the truth that will make you free. We were made according to the New Adam as a shade of Him.

Now are two Adams fighting inside us, (the old, and the new, Christ). Until this way by means of the word the old Adam rested completely in the second (Ro 8: 11-13) and so, this will let us to reach the promise IN HIM PRACTICALLY of the eternal life in our mortal bodies. In this moment the “second Adam” will supplant “the first one”.

Here in this study you will find the door to ascend to the new heavenly life that is IN YOUR HEART dwelling. This life is the perfection in YOU (Christ). Your living soul will be held and will find rest in HIM, in the second Adam order. (1 Corinthians 15.47). You will rest of your works...forever!. You will make those works of HIM. We hope Son of God that these studies are somehow for you to enter in the rest of God, (Heb 4. 9-12).

We cannot bring anything of us in the new life “Christ”. The flesh lies doesn't let you to be subject to the Spirit, because it is deprived of the Glory of God. Ro 3:23.

To be made according to the "image of God" means that we were made to walk and to be in the Spirit life. We wait that you, through these studies could turn you “into Him and to be found IN HIM”, to turn totally into the Son (Rev 16.15; 1Jhon 4:17; 3.2. 2; Colossians 5.1-4). You should read each of these studies thoroughly side by side, maybe many times, and not to go to the other study side until you understood all what The Lord wants you to see and to become trained objectively first).

FIRST SIDE or section:

...“Flesh of HIS same flesh” (Ephesians 5:30), like as the man’s woman.

The word teaches us that God made to the man "to HIS image and own likeness". From now on, we will take with a lot of emphasis the word “image”.

An “image” is the "figure or representation or the likeness of a thing". Let us expose an example: If I look at myself in the mirror, what goes to it and turns in the mirror is the “image”. The man was the perfect image of God, it was this way as God created him. The man represents “God self” in the writings and in His image.

Let us remember that the church plays Christ's wife paper (Rev 21:2), and she reflects the celestial male's glory, “Christ”. IT is proven then, that the man and the woman represent to God the HEAD “the man”, and to the church HIS WIFE “or the woman”. (Ephesians 5: 22-33). We also see that the man doesn't come from the woman, and the man's woman in Genesis came as the church did, that also came from the Son (of HIS own body) Ephesians 1:23. 1 Corinthians 11: 8-9. But what a wonderful God, that HE told to the man... "and both will be a ONE flesh or being...", as well as Christ and the church, like it explains in those verses, 31 and 32 of Ephesians chapter 5.

Even this way, the woman possesses sign of authority over her head to reason of this fact. 1 Corinthians 11;10, giving to understand that the glory doesn't belong to HER nothing at all (like the church to Christ). So the man likes it represents to God in the earth; he possesses the authority of God, and the woman the authority of the church on the creation. The man (male) possesses this sign of authority of God like image of which he represents. He possesses it even in as fallen man in the shadow, prevalence in: The business of the world, politics, home, sports, etc, with even more ability than the woman to rule over the fallen creation. The whole history gives us testimony of this. The man's fallen

nature still prevails on the woman's fallen nature talking about the ruler ship in the world as a fallen nature in the shadow.

After the fall, we have to notice that the man became a shadow of the reality as he was created in the beginning, being it the reality if Him. He lives and is aware of only a shadow of what He really is (eternally).

God desires because of the sin and of Adam's fall, thrash us according to His will, to take us again to “the lost image”, to the roles that play the man and the woman so much into the image of God, by this way to be able to restore “the chaos” of our current fallen creation order of death (of the sin condition).

If we are really that image of God, or but well "made conformed of that image", so the man and the woman are not playing none of their papers or acts, works, for that which they were made for. If the man's paper is the one of representing God on one hand, and the woman to the image of the church for the other, none of both will end up being really “developed or realized” as what they were really made initially as “a true men or male”, and "true women or female" as its behaviors in the Lord. If we don't know what we are as a man (male) or as women (female) what will we be as such so? Only the God's plan of restoration and recovering, SALVATION, in the new man will allow and this through the word given to the church in these days of restoration TO His full coming and manifestation in this earth. God makes us a call to be truly for what we were created, allowing this we were “true men and true women” and not misled in what the world tells us about what is a man (male) or woman (female) as they believe and are. The only way to know what a man is, it is to meet him with his creator and in a same way the woman, and this by the word of God order.

Doesn't the word says that the truth will make you free? God has the answers! nobody else. The word is teaching to us, much when the man and today's woman are not in their correct papers as behaviors being in their papers as male and female. The man doesn't know what he is really, neither the woman. A man will truly feel “a man” when he knew what he is truly as it, as God and as He created to him. Equal a woman doesn't know what she is to be “a woman” until she met with the creator “in her image” what she represents and IS. When both begin to play their respective papers AND BEINGS in the creation by the holy Spirit life, it is

when they will begin to enter into the God's order. Until the man's and woman's fully restoration OF THEIR BEINGS and through God's work of the Holy Spirit against the false created men in the fall, we won't be that man neither that woman that we yearn. Until the total resurrection and restoration of the church in God's image.

Each man and woman of God should take his/her position in the creation before God if they really want to enter into the fullness of God into THE KINGDOM OF GOD. The man like the image of God and the woman like that of the church. If you are one who thinks that this study is something “male chauvinist” this study is not for you neither the Eden that is the paradise.

Our intention here is not to reject the woman neither to ennoble nor to elevate to the man over the woman, but providing to today's Christian a bigger knowledge of himself according to the creator has preset it. If you want to know the will of God and the change what HE yearns in your being, you should know first which is the order and “this is the order”, there is not another.

I repeat again that we won't be able to develop ourselves as true men and as true women and to stop of being a lie in the creation without cleaning of the old satanic order brought by the fall in the world.

We live in dangerous times where the society spreads to come closer every time to the total “Sodom's” as consequence of the misleading of the truth.

For the regenerated man by Christ he plays him a very big responsibility before God. (Ephesians 5.25) To husbands say, you to love your wives as well as Christ loves to the church... " Here it is where God wants to work with the "false called men of the world". The regenerated man by Christ should manifest “The whole Glory of God” like the image of God that he is.

Although we all are being recovered, being saved or full restored on this, the men of the church should bring the good news of the Kingdom to the whole world, to turn the creation from the lost order of the Eden. As well as "HE IS" (Christ) “WE ARE” in this world... says the epistle of

John. This is in HIM AND NOW not outside of HIM. Outside of Him we are “the dead man”. Only He is HOLY.

Still without God the man possesses that authority of being the head of the creation but dead (the authority). With Christ it is necessary to revive it with His being, this way as the men of the church to take domain over the creation, then will also to subject to the woman (so the church what female is) to obedience taking her to the divine order, by means of the God’s men authority (God’s own authority). The works of the women in the church will be the suitable help so that Adam (the man in this case) to take HIS place so they could undergo them to the reign both in this earth by Chirst life (or of the head).

When something is image of something, it is its entirety, reflecting a perfect and total image, the one with regard to the other. The man lost his object, his bases of what he is. That is the “construction planes”.

Without those “planes” the man would never be man, but a coarse shade of what he is really. It is impossible that the man knew what he is if he doesn't possess his own image like a reference, since he is made conformed to the “image of God”. He was the image of God before falling, this is to be “perfect as God is”. Then, and only there he was a “man”, and her wife before falling, was a “woman”; Not now as we see this world.

Right now “they are” in the world the ashes of what Adam, male and female were. We see still something of what "God" is in the fallen men of our times that which inherit from Adam lost glory; this when we see the shadow of a men in their desire of reaching to be able to domain and execute authority on the current creation on this world; the men bring this instinct inside them. But when they do not posses the author of what they are or of what they represent as image it disables to make their paper on king's creation as image of God the head, because he looses the sense and the grade of the authority that he really has in essence (dead authority, the authority of God "the head"). If the woman knows the grade of the man's authority then she knows her hers too, because she is made from the man's image. We all know what happens when an authority is not well taken. But when God is the maximum authority we are speaking of the “highest”. From God is and depends all authority and

He is the maxim and only REAL authority (Only He is authority, ALL POWERED). God gave all His authority to the man when he created him, because from His image was him created, so the man represents “HIS OWN” authority in his being as a male.

All men possesses that authority (of God) although they ignore it. The man won't be able to make or use his authority unless that he understood “God’s authority”. God gave to the man the woman and to govern over her, it is as he made him, as he was same God, just as it His creator would do.

The man's authority pattern is Christ (as the head) and of the woman of the church (His body reigning), both the image of the perfect God. "Christ and the church married or in immortality" with regard to "the man and the woman" respectively (see Ephesians 5;28-34). God says that He is the true man-male and his wife (perfect and without stain glorified) as a perfect wife or what "His glorified church" is. Both take the image of God.

You should know also that Christ is not without his church (in heaven), so the man is not in this way without the woman. She is his body! The earthy man, Adam we say it is only the image of God, and let us say that God is the Object where comes the image. God “the true object and the other one is only a living image.

All this is to explain from where Adam comes (Adam and Eva). In Rev 21:23 and 1Jhon 3:2, we see that we will reflect the incorruptible Christ's Glory as the Church we are, as well as in the Eden "Eva" was the male's Glory “because of the male she was taken”...

As well as the earthy creation is not seen but by the solar light, we could not see this way neither the new creation (the real or eternal) without the light of God, which lights the sons of the new creation.

“Those that are of the flesh, think of the fleshy things, and those that are of the Spirit think of the things of the Spirit (Ro 8). As soon as the man meets likewise with his creator order so the woman will be this way the same with respect of the man to God, because of the men testimony. Is the man who has the ministry and responsibility with the creation order to restore and reign as God in the earth would do (This is the kingdom of heaven).

The woman will be able as him to make as this also, but always inside the execution of her paper role (the ministry helper of the man), teaching to others about the order of the Kingdom of God. Not being a stumble to God in the restoration order, neither to the men about them in taking their place each, because the man represents the image of God and the woman, the man's image or the church respect of Christ (Christ manifested in both, the man).

As we knew God (Christ and His church), we will also know the man's value and the woman's to go to our perfection in Christ, we should sanctify us "in the truth" and not according to the rudiments of this world and its teachings as "values". It is for this reason that it is necessary to know the "order" to be able to restore the "disorder" caused by the fall.

In Him we are perfect already, are you agree?, but here in this earth to manifest the life of the Lord "as perfects", But which is that perfection?: Christ is the perfection and the perfect image of God.

The man and the woman won't know what perfection is until they have seen it in "Christ and His incorruptible Church" understanding their roles and what they are. In heavens we are perfect. Aren't we this in Christ? Do you want to reach perfection here in earth and to participate of Christ's coming? You have then to see Him just as "He is" in the RESURRECTION STATE WITH RESPECT HIS CHURCH.

(1 John 3:2). Because of that, it is necessary to know what perfection is.

What a perfect man and perfect woman are? See or understand then who "is" Christ towards His Church (in perfection glorified) and you will see which will be our behavior OR BEING like to be man and woman, or what we will be both.

To Adam was given the woman to Christ was given the church. As well as the woman brings the glory of the earthy, the church brings the glory of the celestial "Or The Christ". The earthy Adam also came from the celestial Glory in the Eden (Christ) reflected.

As well as Christ loved and restored to the church to take it to the GLORY, the earthy one (we) should also do with his (our) own wife (ves) if we are in marriage or not in essence you should be. And in that way comparing Christ's behavior and the church's in perfection, we will know as how “to act and be” in the earthy body. If you are not married equally you should have that capacity of attitude toward your wife (in the event of having it, or as if you had it) the same with single women towards men. The paper that we see of Christ and the glorious church will be the paper that we will play all in the earth like men and women, single or married (it is the same, we will see this more explained latter).

As well as the church recognizes to its Savior, the women should also recognize the man (or his husband) before God; Ephesians 5:23 at to verse 25. “The marriage” represents earthy to Christ's union to His Glorified wife (church) in the earthly image. *It is for that reason the existence of the marriage and what it means.*

It means that both will be ONE BODY, and for that reason they will unit in marriage (man and woman; Christ and His Church respectively). The marriage represents the image of the coming of the Lord in His body. John 17.

We can say then with humility that the man and the woman represent “Christ and His body” image, in the earth and this is Christ's nature acting in us NOW. These are our real values of each other. We are His maxim creation as Jesus is in heaven.

We also are made of His same height! Hallelujah!, the man has the authority of God in the earth and the woman the authority of the church IN FULLNESS or of the kingdom in the earth BOTH even as a fallen (men's authority) but in dead consciously. To RECOGNIZE THIS “it is to BE HUMBLE TO THE Lord! ”The authority of the church is Christ's authority and "that" of Christ and "that" of His Father.

The man possesses the Son's authority in the earth, and the woman, “that AUTHORITY” from the male, (that is to say “the” authority of the PERFECT glorified church or of Christ self of Him). We can say about us the men, represents Christ on the earth and the women to Christ's “PERFECT” church on the earth, that is “male” and “female” respectively. 1 Corinthians 11:7. Now as it advances, we will know what

we are in Christ, because all that spoken until here is talking about of what we are in 1st Adam and everything has a cause...

Only with the man to look to “Christ” and he will see what he is as **CREATED** man and only the woman to look about what the “perfect church glorified” is in heaven and she will see what she is as **CREATED** woman. This is perfection, since Christ and the church are the perfection, and they will bring the perfection and its glory to the creation. We know this way Why God created “them” male and female, because they were made from God's image, and Christ and the church in glory are “God self the Father”. So, the word says: “And God called the name of them both “Adam...” (Male and female) because God “is Christ and the church”, then male (Him) and female, (we) **IN GLORY GLORIFIED**, His consciousness and ours. Genesis 5.

Now, if we study **WHAT** we will be in heaven, we will see that our name will be “CHRIST” (the 2nd Adam) the same as God calls to Adam and Eva “Adam”. To both He called them in this way. 1 Corinthians 15:47; Rev 21:7, 3:12. (Confirming the image of God).

We believe so that when the man or the woman stops to be the “spoken living word” image of God “or His life”, so much the man and the woman stopped to be true men and true women and the creation gets lost of the truth; both no longer will have in their true sexes behaviors as such as “true man and true woman”. If they leave this order, the man has turned to behave as a woman and the woman like as a man. When the man stops to behave as God over all created things, and this way so does the woman, when she has stopped to behave (or to undergo God) like what she is “the church” before Him, she has stopped to be a real woman.

If the man doesn't represent to God like God (To Christ), then it is because he does really live his real value and male role and if he doesn't then he has stopped to remain in the image of God as “a man”, that “it is” the highest value authority and life, so to be the true man then (God Image). If this happens he has entered in the woman's rebellions paper rejecting the highest authority “God”, or “the true man”, and he will fall. Same with the woman,

If the woman doesn't want to be the image church with regard to the men, in the form”... “all your desire will be for your husband...” Genesis 3:16, involving that her existence owes to him only to Him, including the

plan of God in her and the woman Salvation order, there will be left of being a “woman” wanting her to transform into the man's paper that is “the authority” or the head (God) of this creation.

The woman has the man's authority and this doesn't come from her at all, but of Christ, because of the man (Christ's glory), Mat 16:24-25, so to recognize that it is the will of God because Her body owes to the man. The woman should give thanks to Christ for having created the man, because without the man she would not exist. Because God created the man, *then made a woman for him* and she belongs only to him (and she is His body also) and of what he must reign in life; God was who gave her to him.

If the man loses God authority over the earth he stopped to be “a man” (God's image), and if the woman takes authority over the earth from herself she is turning to be man's place (robe it) turning into a man behavior as God. If the man abandons his position in the creation, he doesn't want to be a man same with the woman. Both lost what they really are. They have no being.

Perhaps they don't want this way it to be all this, but it happens this way. 2 Corinthians 5:17 says, that we are new totally and if they are all new they are “it” entirety. The man as the woman will have to be completely new not according to the previous satanic system but according to the perfection “GOD's life”. Let us see the reason:

When we receive to Christ, until that moment, we didn't know to God; immediately when being born of Him we know now Him (John 17.3). We know as we before were known in the beginning, we meet with the source of our image. I need to recognize that I represent now to God in the earth as a man, and to the church if you are a woman. And at the same time we are forever Sons of God and this is why I will have Christ's image life. As a man it happens, and this similar with the woman. As well her as well the man in heaven both will have the same body. "Christ's glorified flesh and His body". "They are both flesh and bones of Christ" being both His wife (men and woman “His church”), born now of an incorruptible seed. Both will be "Christ". The mission of both it is the restoration of the lost eternal kingdom and order.

We see that Christ is the Father's person. All that is the Father it is also the Son. The man being Christ's image is also the Father's image thanks to Christ. It is for that reason that He says "... to our image and likeness we will make the men". So, the man and the woman have the responsibility of making the will of God on the earth, but in the form that the holy Spirit has prepared. First through the men, and then because the man makes the Father's will in Christ, (completing his respective paper) now the woman will be subject to the man "the ministry or Reign of God"; then so they will be in the Father's restoration will.

This way, it is the man's responsibility consecrates to God in such way that God can communicate His plan (life) over the earth, as it is his responsibility to guide the women to be "women", undergoing to God in the men IN GOD, restoring the Eden order or the lost kingdom.

It means that if a woman wants to know the plan of God and to be part of IT, she needs to be held to the man totally in her mind about her being (same with the men regarding to God). The woman will possess God's will to make or do something if she is subjected conceptually to the men in her congregation (mentaly) OR TO THE ORDER (subjected to her husband) in obedience (To Christ mind image of the men). Only the plan of God will come through these chosen men for heaven's sake, so that God executes His will, life or The Kingdom in the world, AND GOD will DO IT. The matured women also could ministry "the order" being subject to it first.

It is the man (Christ's image) the minister of the authority of God on the earth and if the woman is subject to a guided man for heaven's will, she will also have the authority on the creation like the man (in God's image). The man's action on the earth that doesn't come from the image of God or "from the life or the self of God", it no longer possesses God's authority because it doesn't bring His image (It would be from another image...). It is work of the flesh or "of the woman" outside the paradise. Same the woman... the woman is subjected to the man if she is subjected to the Spirit "in this beginning order for men and women".

To be in the Spirit her treaty should be to have and crucified her old woman to understand God's woman life, in order to be the image of the perfect church in the creation in respect to the men (according to the image of the church in God's image). This woman should recognize in

herself and place the authority that God gave to the man (the male), stopping being just as the church recognizes Christ's authority. Ephesians 5:23.

When the men of God get Christ's fullness they will be seeing same Christ manifested in them and in the women equal, but as the church in fullness in relation to men (to Christ) the cross is in operation in them.

All man possesses the authority of God potentially, (still in the non converted ones), but they have it “dead” since they don't know God and they are deprived of his Glory and reality (His glory is God's life, the authority or image or God Himself being). The truth is that they ignore it and they don't know what they are neither their own values nor their identity. Without the authority of God there is not authority (its is dead authority). As you knew the authority of God (being men or women), you will obey and act with the perfect image that you represent, and believing it you will have that alive authority. As this authority is recognized in you (God's authority), you are receiving the place that corresponds each one on the creation (it is not your own authority, it is GOD'S SELF being in them). Men and women should oppose to any authority that didn't come from the image of God because it is satanic or rebellion and it comes from the order OF THE FALL.

As the woman recognizes the authority of the men in Christ, she will be taking the place of the image of the church or “a female” and its authority, and God will support it. Similar to the man, God will support His authority if he wants to take his place in God's Throne being Him. Both the man and the woman will be snatched to the throne. (Our reign IN CHRIST). Would you believe this? ...

Our world possesses actually a great defect that comes from the genesis:

Law of God: Man, King of the creation and the woman His glory. This was before sinning, so as well as he and she brought the image of the heavenly, of the 2nd Adam (Christ the restored image of God).

The creation was perfect because the man obeyed to the perfection, to the life, desire, order, will, and authority of God self.

The woman only knew the obedience of the king of the creation for that moment, that it was the same God in the man. The man took possession of her and she belonged to him and only for him to be in her. On the other hand the man was for God and only for Him. The woman enjoyed God being her everything for the man like was the church image in her obeying Him in “Everything” or being what he was. The man owed to God to have given him all that he had and was, and the woman everything owed it to God to have been created her for Adam’s reign and for being him and of him.

The fall: Satan tempted to the woman and the perfect pattern of the will of God to be broken. She was not held to the command of God for the man, and she obeyed another will (that of the devil) Genesis 2:16. It is for that reason that the will of God depends on the man. The woman was not held to the man entering the command or the desire of Satan (the serpent, the smartest beast of the field). The man obeyed to the woman disobeying to the creator's command. The man had obeyed the woman (in the place of God) 1 Thessalonians 2:11 to 15. The woman deceived to the man after she was deceived. It is for that reason that the woman cannot have God’s plan at least in her that she knew the perfect image of God (by the man first) and exhorted to all disobedient spirit to obedience to the order of the Lord. If the order of the Eden was restored mentally, then the creation will enter again into the lost perfect order and will, and all would be able to be restored as it was the idea of God. We see that the plan that begins in a not restored woman (without the image of God) it cannot come from God. “It would be outside of the order”. For that reason God commands to the fallen woman was “ALL YOUR DESIRE will BE FOR YOUR HUSBAND AND He will take POSSESSION OF YOU”. Here a very clear commandment is shown to the woman (the cross), since the order was altered by her disobedience. Genesis 3:16-18. The man also when allowing the woman to decide what to do, he allowed the works of Satan enter into the creation. The woman dethroned to the man and "that" was what Satan wanted (God's Throne by attacking the administrators).

Now the woman was as “the paper of the Throne of God” (wanted to be like God) in that moment making her OWN DESITIONS, and the man when doing him "I obey your desire" was made as “the woman” paper or her image. When leaving God of them for the disorder (of authorities made) that caused the fall for the deceit of the authorities; the man no

longer knew his position neither the woman hers. The new reality deceived to them. Both paid attention to the command of Satan and now Satan was the God of them for the deceit. They ate of the fruit... For that reason Satan is now the God of this century and of all that obey to it. But who let to enter the snake firstly in the creation was Eva, and the responsibility belonged to the man for allowing it who was the King.

The man should obey God if he wanted to continue being what he was (God's image and reign) and the woman should obey to the man if she wanted to have the man's image (of God through him).

Adam recognized the woman's authority over God's, he idolized her. The men were deprived of the image and Glory of God now. They lost the object, the bases of what they were and the why and the how they were created, of "Male and female" (Christ and His Church), man and woman. Until here the creation possessed the Glory of God (Christ and His Church) image and the perfection. Now another will (authority) entered to rule, that of Satan entered that it is not that of God .

Now the man has met the wrong thing, but realized that he could not be anymore the image of God also, and now knowing another image he acquired it, taking "the image of Satan", or "his own will" desires, ruler ship, own life or own authority.

Until the temptation the man didn't know the wrong image of him (his own will or ruler ship). But now knowing it, he could not stop to acquire it discovering another self and I or their own image, and not being able to be like before sinning by him himself (he sinned and only the redemption would order again that damaged reality). He now lost the image of God of perfection with which God had created all and governed, and they left/lost God's reality and authority; it is for that reason that they could not stop to make the image of the wrong (the false image or the lie).

The man lost the authority of God and the woman of the church. Now everything is distorted and lost, until the church came out with the preaching of the gospel (2 Corinthians 4: 3-6.).

However Satan made war against the overcomers of that time (the early church), against the church that was the first light preparing the coming of the Kingdom and the restoration of all things, and tried by all possible means to destroy all the truths of the restoration (The image of God through the gospel). But God in this hour is waking up to recover to a group of faithful believers that will be the overcomers and will carry out the truths to finish the work of the ministry that the Adam could not carry out in Eden. The reconstruction of the “Glorious Body of Christ”. The restoration of Salomon true temple, A temple of alive stones where God will live for the eternity in this earth.

Now from the time of the fall, the man and the woman and the whole creation entered in a fight of authorities (false, satan authorities or authorities that not come from God nor being created of Him). Now something happens that both by essence and nature (created of the image of God) they look for what belonged to them of glory they had and were, each one but by their own efforts or by their own wills or false authorities now (or theirs false authorities). The man fell in constant fights trying to recover the lost position, that it is of the most authority and Glory place than ever have existed (of GOD self), same with the woman, because she had the glory and the authority of the church in glory (Gods authority as the church or His body), that of the perfect man, or same image of God. This fight is demonstrated in the man's desire to domain on the earth, the same with the woman. They originated the competition among the men and women that originates a fight of “false authorities” (not from God) and “false victories” about who has a domain or of who is more than the other (trying to find the lost throne of God in them), “this all is what is called vanity ”.

For the nature of “to be” the image of God, the man tries for characteristic means to subject to the woman in the creation and to govern in all. He looks by them, by other (missed or wrong) ways (false authorities) that are not of the authority of God "his value and lost position". Same the woman. This “boasts” or “false GLORY” “or vanity” it is the authority that the man uses for “to trying” to arrive to “the highest place” (God's Throne). But the error is in that the “highest” position who has it is God, and no one else.

Those that have HIS glory don't have to fight to get a highest position, since they already have the highest place, the place of the image of God as their image and value.

Any authority doesn't exist as high of Christ and His church does. Everything has been subject to the church "Christ's body" (this is the true authority). You can see the unbelievers and still to some of today's Christians fighting each other to be overcomers in this world but, to be demonstrated by and for themselves that the man is man and same the woman does but in error. It can be each one of them is not sincere in this matter to themselves, since the heart is perverse more than all the things are, but we know that it is in this way... Only with that a sister looked to a brother or inverse and she or he, they will see that her couple can be tempted in jealousies. All this is insecurity of themselves for not being measured before God or with God, but for the deceit of our world "the competition of authorities" to attract to the other attention or to idolize to the other. The man and still in the town of God there are things like "male chauvinist" to covet other women of the church or to be allowed to covet. For example that brother that he likes to flirt alone to get the attention and to be proven before the women that he is capable or not of attracting more than others (trying to prove himself if he is man being selfish). Or the sister that likes to be the most attractive perhaps, the man while more pretenders have, the man who feels better, paying attention to Satan, to strengthen before the women (still this can be through his eloquence, wisdom, or position in the church, ministry, etc), same with the woman, seeking them to be more than the other males or to be more man or more woman by attracting more of the opposite sex, denying God. This is an anarchical way of the use of false authorities, because their false domain doesn't come from God toward with the others (Satan authority reigning). Before, it was the authority of God that reigned in both and was God Who gives something to the man or woman to have it or not, this is God's authority also who does, and Eva was of Adam because God gave her to him, and anything else is the motive. What is achieved in this way, is a bigger frustration long away, since really sooner or later, they will see that no one is God at all. This is not consciously, but what the man looks through this is the position that he had in the Eden or "the LOST domain", "Adam" and real authority (GOD) "unconsciously" (same Eva, wants to recover "The Throne" that had with the man since the beginning (that is to say Adam's throne OR GOD'S), but by their own fallen wrong methods and own false authorities won BY and through in the fall.

Satan wants the throne of God in “his own” order or authority. It is God who gives the authority. No one else can put on it by himself. The authority of God is “the being” part of the man. It is Adam's essence and the woman “to inherit it” of the man for recognizing she is of only of/for him made and exists for it. Nobody has authority of themselves. It is otherwise that sooner or later another that will come with an apparent false bigger glory than the other, and he or she will be frustrated before that person with incompetence. This whole daily game of the men and women infidels of our old corrupted nature of this type of things and false beings it is not anything else than “the imperfection” and better said what we call “this world kingdom of false authorities”.

On the other hand the woman in her husband's search (unconsciously) to the stature of same God and Throne (since herself doesn't have glory of God and she looks by herself her the lost glory of the Eden, “Adam”) she, also impressed by that frustrated man's vanity (for he doesn't have the Glory of God neither), puts the view in that other man seeming the husband that she has insignificant for ignorance of the truth. This causes infidelity by reason of no one has “The Glory of God”. If you value to God because of what He is, then nobody will be able to undergo neither to deceive you neither to frustrate the SAINT being IN you (Christ The Throne), SINCE EVERYTHING HE OWNS AND EVERYTHING IS MADE BY HIM AND THROUGH HIM. AMEN?. There is not a higher place than CHIRST.

HE IS THE MAXIMUM THING!, WE ARE THE MAXIMUM THING IN HIM. HE IS OUR LIFE!. Enemies don't exist against Christ!

He conquers them all!, there will Be not enemies for US in HIM. Hallelujah;. Now continuing with the fallen behavior we are talking about, her once again she sees impressed or deceived by the “Play Boy” that deceived her, falling in the greed seduces the man with her beauty or attractiveness (Satan weapon or false authority image that she uses as false woman or also any fallen man “trying to conquest their own body both by this mean”, their Adam or Eva members that were ONE in the beginning). If he doesn't recognize to her using this wrong value (of the false women used), then she will be frustrated as woman and that Play Boy conquered her. She then will feel attracted for that deceiver (that deceives her with the false called boasts authority or wrong man authority), for that reason she swims before his tempter. But everything is

a deceit! neither her neither him are something and all that they are looking for is their “own” lost glory of the “Eden” or “Adam” himself looking for his real identity (that is why I say “ADAM” WHO IS THE LOST BEING IN PARADISE). If they had it, they didn't had to sin. There would not be necessity to sin or to deceive to any, because they ALREADY HAD THE LOST GLORY, "GOD IMAGE" the maxim OR HIGHEST BEING. (Note: in the beginning they had it, but they didn't know what they had as being fallen now). Outside of God they are mud, and the mud corrupts!. Before God nobody is, they are nothing!. This way brother the image of God is not simple thing to handle and it is of a long fire process through the holy Spirit work; But, it is the exit to all our sins.

All this of the "vanity" it is a battle of false authorities, where so much the man and the woman are every time frustrated for never “having reached” the real domain on the creation or the “being” the true glory of God! Adam cannot reign this way neither he is a King nor Eva the Queen of the universe.

The woman is not satisfied completely and she will be unfaithful instead of being holy and will be sinning in the competence of false authorities. This is the cause of the depression infidelity and adultery in our churches and of the world "THE FORNICATION OR ADULTERY" and everybody rotates around this principle and in their sins.

This is because the man is not really “a man” neither the woman “woman”. This is what means Ephesians 5 when says:... " To sanctify her, there being her laundry in the washing of the water through the word to present Himself likewise a holy church without stain (the same order as the woman from the Eden or the commandment to “Adam”). This is the Christian marriage, and a lot of more... (you will se the great mystery in the following chapters).

Now continue speaking of the wrong that is happening in our days in the congregations when the woman or man doesn't find to his true “glory” (Christ) their image, will be more and more frustrated in “reinforcements values or false authorities” looking for the real authority, sinning in their consciences trying “to be” or looking for the “BEING” (only God is real authority). Neither their husband or wife satisfies each other and if they adulterate (if they probe the concupiscence), it is to them

almost impossible by reason of the fear of God being Sons, if they have been born of Christ. For that reason, Sooner or later they will fall in temptation if they are not laid the foundation in the perfect image of God or its order. Although they are already logs of adultery in their mind shoddy!. Romans 12:2. Only the light will give them the answers. The bigger cause of divorce of the world is in this frustration originated when the man is displaced by the woman of his place by this situation (fallen authorities of the world), or the woman feels that her husband is not enough so (isn't God enough?).

We see then that a true woman should value her husband and to help him to reach Jesus stature in the creation, so that to be able to her also take the place as the church that reigns with Christ (her place of real woman), and to fight both against the serpent and to toss it outside of the paradise so God (now them) reigned in HIS image.

If the man feels inferior to his wife probably will look for or be attracted for a woman that believed one of his own false or earthy fallen values or in any that gave him more value. When the man has a woman that recognizes him in the creation about what he is "THE IMAGE OF GOD", then the woman will feel more woman because God made her for that reason (to recognize him as her head in the creation)! There is not a bigger value and only with that authority she will be satisfied really but she must believe on the value of God!

The church was made to recognize to exalt to glorify and to be for Christ and she will reign this way also with HIM for that. That is to overcome satan. Satan for that is the false authority king in the creation and he wants the current disorder knocking down the divine order (GODSELF HIS BEING). In THE BEGINNING in the fall the first "bully man" or impious man began (the competence is the origin of all evil). The first competition of false authorities began among of the man for the woman and came the competence of false (dead) authorities. The woman should accept as first thing this fact that the man is "bully" by reason of the fall of the paradise for the woman's guilt first, then the man fell because he subjected to her to the error. This problem has been up to now in the earth. All the biblical appointments agree in this fact about the woman (using her body to attract the man with her sensual senses. Only with each recognizes their paper in the creation and all problem will be solved, not giving space to the serpent another time like in the Eden (to believe

the man himself that is something by himself). Everything has been like this for not recognizing the man's authority in the creation and the divine order, and not to let God to reign in their sex behaviors. The woman cannot demand the Adam position. Adam was formed first the woman was not formed first. Now, the present vision will be a little more enlarged in the following study.

We see that the broken of the authority of God on the earth generated the root of all the wrongs of our creation. Don't believe that this is a matter of taking it softly. If you are opposed to this principle, you are opposing to the order of God of the restoration and Christ's coming or the millennial Kingdom will be moving away from our hands, reason of this restoration, the whole creation depends, Facts 3:19-21. The church should produce this class of fruits to the creator. Not more stumble. In Genesis 3:16, God sends to the man that to take possession of the woman and that all her desire was for her husband. It is not this the same as the commandment of God to the church: "the woman's image"... "The one who wanted to come before me must refuse to himself, take his cross and follow to me... "Everybody who wants to find His life will lose it, and everybody who loses it by reason of me will find it... ". This is "to yearn" the!!! KINGDOM OF GOD IN THE EARTH!!!. ! Do you want to participate of the restoration?, begin restoring it in you and don't undergo under the false authorities granted by Satan in the fall.

Take oh man your place and reign in Christ and don't undergo the woman to live and to reign in the flesh, and you woman undergo the new man "Christ" as "the church" you represent through the man's reign! And both will reign, all together.

When the woman wants man's position and the man allows this to her, the man past to be woman's position and the woman to the man's. Do they want that to continue?. This is what has originated as consequence the perdition. Romans 1:23-32.

HOW DO WE ACHIEVE THE IMAGE OF GOD...?

(For complete understanding of the image of God you should read the three chapters of this study) (this you are reading is the first part)

To continue, we will study something about our opponent: To Satan.

Isaiah 14:12-17. He speaks to us of the fall and the devil's trial. when heaven was created the angelical beings existed (now the new earth and new heaven) IN ETERNAL TIME, NO DEATH WAS, NO BEGGINING IN TIME AS WE KNOW IT AS MORTALS ALSO. Genesis 1:1.

We won't speak here about the times in that was formed that creation. That you will understood it ahead. What it cares is that in the beginning, God created both (heaven and earth) as well as the man fell, likewise who is Satan. Rev 12:3,4. But? What does mean this fall?. What is Satan? What is his power?. It is necessary to know these queries if you want to be totally free of the satanic power in the obedience of the plan of God.

Satan committed the sin of being similar to God or God by himself without God. He made the sin of putting himself on instead of GOD. To be similar to Him and to govern independently of HIM or without God. Reason? Good, Lucifer was in God's Throne, A Cherubic, He protected the Throne of God (was Adam) (this is a mystery to know later too). The angels were created with the purpose according to the foreknowledge of God to ministry to the heirs of the salvation. Hebrews 1:14.

The man was created in order of being, carrying out the Glory of God and this means that the maximum creation of God is the man. He represents “the glory of God self”. The whole heaven rotates around the creation of the Sons of God or let us better say for the “Son of God” and those Saved included in Him. Romans 8:32. Lucifer had the opportunity to obey God or not. In the previous paragraphs reading we saw that the man paid attention to Satan (to the serpent) and his thoughts straying the perfect image of God that is Jesus thoughts and of the Father's. So the

man obeyed the satanic thoughts, to those of the kingdom of Satan. He obeyed Satan (the serpent, the smartest beast of the field) himself through the woman obeying his voice above of God's (this was Lucifer). This caused that the man thought becoming Satan slave, that is to say to become "the image of Satan", in autonomous rebellion; he believed to those "trials" of his and to his thoughts.

Before this, heaven and earth obeyed the thoughts (will-life) of God manifested in the men. "Trial" it is any command or God desire. A trial is a decision, and God is who judges what the man and his angels do and what they should. The man possessed the thoughts of God in the beginning since both obeyed to God's perfect image (thoughts of God); but also both could decide if they would continue with God or Not, this is freedom! if they were revealed, was because God gave them permission to choose among God or the man self (autonomy without God, his own authority).

That is because satan authority comes from God also allowed it (because He permitted him to get revel and to create the evil will). They could choose among the trials of God or his own trials as God IS. The man, was tempted by himself in the temptation of creating a trial of himself that is to say of to think and to decide apart from God AS HE WAS GOD. To him was given the mission to guard the Eden which He did not.

He became then in this way into an imitator of God like a God. Only God can decide by Himself what will happen and He is perfect in His decisions because everything was made for Him and Through Him.

Satan kingdom in the fallen men coveted the perfection of God and His trials and commandments of the Highest and the form of how everything obeyed to God and how it glorifies Him AND EXIST. All things created recognized in heaven the power of God in the beginning. Satan coveted these things wanting to be similar to Him in everything to compete with the "Highest" in wisdom.

He decided to imitate the perfect Judge (KING) by himself, "to the creator", since he wants to be God. He wants to imitate to HIS ways in everything so that they praised him a not to God. He wants to remove God's Glory. Satan was perfect if he was allowed to be governed for heaven's will; Only God is God, only He knows the operation of

what Himself created, only He is perfect. Yes, he wants to be all this but not above the domain of God. He wants to take place of him a government same than of the height of God (of perfect and good as He is). Satan coveted the height of “the perfection of God” and he wanted “to be perfect” by himself without taking into account God. Satan wants men to obey him getting the attention of those that obey to God so that they obeyed to him, trying to achieve for some means that somebody believed that he can be as God as perfect.

Satan (that is a dead fallen spirit), the serpent, screams hopelessly that somebody recognizes him as somebody of height similar to God. He hates God because everybody recognizes Him and them adores to Him: “The church”. Satan wants to guide you somehow to listen what he says only trying this way that somebody recognized him. He is not as some ministries preach in error that he is so powerful, because he was an angel before... And because angels are powerful so he is also. But this is a lie! He is a serpent, and a fallen death serpent, the smartest beast of Eden field screaming to become alive again!.

Remember that he wants to compete with God in HIS image, characteristic of rebellion, but to get that he needs of followers, people that wanted to accept His plan, dominion, kingdom and advice in the world (his word) as if was God who leads all well. He will do everything so that they don't recognize God; He is jealous of Him. When you recognize the word of God he becomes hate to God, since you didn't recognize him; it is like to remind him : “You are a creature, and only a creature (a beast) ”... Not God, and also a FALLEN being or better explained without the perfect wisdom of God's life. Satan wants to deceive the children of God in these basics, ¿reason? The answer is because a creature is which is, as the same man, as fallen being, becomes but the most ignorant that exist creature, even if it thinks. If the wisdom of the world is nothing before God, and we say nothing because all that the man says and thinks from himself about what he is denying God and his truth, separates him more of what he really "IS", that is to say gets destroyed in all the areas moving away from the image that he is really. If this is about the man, the fallen “image of God” the highest creature of the universe, this way or worse would be about any other lower creature “a death serpent beast of the land” because it received the *death of the men as heritance, no God kingdom, it was not so smart so: Ja!. The serpent received the death of the man as kingdom and heritance. The serpent thought it was to get the man*

reign of Eden and received the death by inheritance from the man death. Both were deceived themselves by God on that.

There is not bigger perdition that the same death “Satan self”. If the wisdom is not “perfect” it is ignorance so. It is for that reason that the Lord says: " if I spoke from myself I would be lying... but if I truly speak certainly what I hear from the Father the Kingdom of God has arrived to you... ".

To speak from our own thinking it is lie, and ignorance since it doesn't come from God and God is the truth, the true order or being. This is the true because everything was created “by Him and for Him”, and only with the sense of God the things gets logic, alive and recover “the sense”, the truth. If this is true so all that you have listened in the world (from Satan, it's the same), is a lie and all that comes from the man is also then a lie.

Let us see how it works deeply: The man fell in the same sin of Satan, “to Be as God”, to be governed by himself without God; to decide autonomous, “to be as God as perfect and fair” by himself. The man becomes this way being similar to Satan in his fallen thoughts and desires. Satan will never tell you the will of God “the truth” “the perfection”, because he is not God; Then neither the man.

For all Christians what they think of the man “without God” putting the men and comparing the man with God, lower is Satan. Satan hides from people and he needs to stay in rebellion against the order of God so that you didn't see him before God's light or life “the low thing that he is”, and in this way, making you continue trusting the rebellion or in the world and his image “by deceit” of all this. Rebellion is to desire to be similar to God and better than HIM. Rebellion is the principle of Satan, as well as Satan always speaks lie. Someone who believes to his commands and principles of the world will be as him (opposed to the image of God). Satan is believed himself that he is as God as perfect; it is this way for that reason is the one who believes to him also.

It is why Satan opposes himself with everything to the truth, and when someone listens to it, probes it and denies it, because he wants to hide of what he is really “not God at all, the perfection”. Likewise the man that obeys him (for ignoring the truth, they are his slaves).

The man was a guard angel of Eden, the man was Lucifer, as Christ is, and he is now fallen, it means that for more that he wanted to make wellness, he will never say anything perfect (the Sons of God are perfect if God guides them).

Satan glory consists on judge and to judge saying that his world is the truth, and those that believe him won't see the real sick fallen condition of him, since if God is not with him... what can we expect from him to come and be? The one whose proud exceeds will be humiliated... Satan was proud to the highest place (wanting to be as God the highest), then he was humiliated to the lower place. This way the man, was proud to the maximum thing as him (as the serpent did), and he was also humiliated to the lower thing with it, (from the kingdom of life to the kingdom of death).

When Satan is your judge believing him obeying his world, he judges you and lead you all the time in your belief as truth, and you didn't show him then his true lower condition. Plus if you see His trial of condemnation from where it comes, you can laugh, because it comes from a fallen angel (not of a perfect being which is God).

The suffering of Satan is on showing him what he is. This is to say his sin, and that he is not entitled of judging to anybody, because he is forever an imperfect being “his works”; this it is his defeated, he was judged from heaven sake and he is still being judged in God’s Sons.

What happens at the moment is that he got in the fall until our days some innocent unbelievers of God who believed to him in the world “to his world”, to his false kingdom. When God reveals to the man His truth, the darkness and the baseness of Satan become manifested. To believe him in the world is to cover what he is, where then he glories in someone who recognized him, achieving him to believe that he is something being dead, being “the nothing”; The opposite thing, was his defeat.

If Satan is able to cover his low fallen state, he glories himself from being something of himself, since somebody believed him that “his world is perfect” and “to believe” is to “trust”, and “to trust” : “to adore”. Trust “what he says in the world”, is to give him thrill of his plan and that he as God of perfect as leader. The defeat of Satan is in that “God” will show

who is the “devil” and who is God through his church... Ephesians 3:10-11. The humiliation of Satan with the light of God is the weapon that defeats him, when you see him before the light of God and to His perfection, you will see what a depressing and poor are his designs and directions, when trying him to compete with God. What he really wants is that you didn't see what he is like of imperfect, it is for that reason that he seeks to be something against the church.

The defeat of Satan in the Cross consists that thanks to the Cross the men can arrive to the pardon, and for the pardon to the truth, and for this into “God, His life” recovering the image of God or the health of his madness, to see the weakness and baseness of the designs of Satan and of the death reign. This means because his fallen works of the darkness, to judge them, by means of the holiness of the image of God and Christ's life, 2 Corinthians 4:3-6 the defeat of the satanic empire “Christ's perfection IN US” The image of God.

Satan arrived to the power by means of the greed of being believed something, but only Satan has his power with those that believe in him, to take possession from the beginning of them, and not in the truth deceiving them. This because without the designs of the truth, you won't see the devil's lowest, neither of the man without God, that it is heady to perdition (to stop being). I have worth because I am the image of the living God, “Christ HIS perfect life in me”, thanks to HIS mercy and grace with those that believe to Him. Not by means of his own force or your own works and decisions, but by believing in His grace and justification for HIS LIFE. Not by the law but by his blood and life. All man that believes that HE IS worth OR have some value by HIMSELF is “something” only before other men that thinks ALIKE to HIM and values as him. If all are lost nobody will know that nobody is ANYTHING “between themselves” and all they will believe that “they are” something without God the value, as Satan (but they have die not being really). Only when the light of the “the man's truth” comes forth with the word of God, and His revealed mystery it is when we see each other and we know that we are not anything before God, and that Only He “HE IS”. Before this, before the perfect word of God comes to our hearts, we believe that we are something; it happens this way to the devil, when the church shows to it what “God is” it is smashed, because we show him the light of the perfect and incorruptible high roads of our God, he is defeated before God the life, since we know this way who is Satan, inclusive the man that

follows to him; for that reason it is that Satan lies and lies to the church, and equal the world system of the men. Lie after lie, accusing all the time, for this reason Satan is shielded to deny the truth, for he doesn't turn before the light of God and doesn't want to see what he is without God: Death, Filthiness, lasciviousness, concupiscence, disorder, dissolution, and all the low and fallen that he is. Those are “his best perfect works”. That is the perfection that he can offer. Satan hates us because we teach to him his imperfection and with his imperfection his trial that is not God.

When we don't valorize ourselves IN GOD in Christ, it is because we believe that we are something of ourselves, or that we are “something perfect” or in others words “goods” or that WE ARE. But that “own value” or “being” separated from the creator is something only before another person that is in the same deceive or lost state as us, “to be believed something outside of God” that is to say in “our vanity” or “in the old man”; but when the light of God appears amid the church, God himself personally in us through His alive word, it is when we see what we are really. For that it is necessary to be born of the light and to hear His word, if it is not we would never see. By the light of what is here in this study, the perfection in the earth, Christ and His Church image, in the weddings of The Lord, the perfect church “united” in marriage with Christ in all His fullness (making to her wife eternal love in one body), you will be able so, to see that He is the perfection for the men and the women. That perfect marriage is “Christ in us” the hope of glory...!

The devil's power is in his thoughts and of the world, (James 3:15 says), in the system world and its order and concepts. All that comes from ourselves is diabolical decision opposed to God, the perfection, our image liar, since doesn't glorify the Father but to ourselves being opposed to God, the perfection. Only the Son of God glorifies the Father with purity and truth, to make the opposite would be to compete against God. It is to believe in something that doesn't come from the Spirit to believe in the devil's temptation that contradicts the word of God... for what reason? so that your works were not to be reprehended, neither those of the devil; it is for that reason that... or we give the glory to God... or we give it to the devil. If you give it to the devil denying “the order of God”, you can be for sure that it makes your own destruction (having even still admitted to Christ as your savior) and it doesn't perfection you since it comes from the principle of the disobedience in the Eden or Adam, the disobedience

to the “perfection”, to Christ himself (to the order), “God himself in you”, that is to say “the imperfect thing”, the man.

These desires come from the devil's command to cover the light that reprehends it to him (the image of God, God IN US), and same to the men. If they are uncovered, “the men”, the devil is left without glory because the light of God for the men reprehends him showing he is not, (Christ's light for the man, the image of God), and it shows him his lowness (with God's order or perfection), that which is the defeat for him before the church and Christ, because he doesn't have worshipers any more. Satan will always oppose to what the church tells him about the true will of God. The man believed to Satan in the Eden and he is still deceiving him so that his shame wasn't discovered, because he gets value in what of him “the man believes of the world” which is “his image”, “his Kingdom”; If he is undressed not believing more in what he says to about what is “true men o woman” he will be defeated because who finds him overdraft (for his alive faith in God) and won't be allowed to be tempted by so low fallen creature.

Temptation is competition, to challenge; if you accept his challenge it is because you believe that the unreality is “something” being not real, (something perfect) and this is idolatry, because you have not believed to God in HIS image but to the commands of the world or of Satan, that means to “his reign” and this it is the origin of all sin. When you idolize somebody it is because you believe that you are inferior to that person deceiving you as “Eva did”. If God tells you “the opposite” first it is trust in God and His image and to obey, because only you should believe to your God “Jesus”. Something contrary to this is to accept the competition of Satan or “of the man” against the Kingdom of God, saying that Satan can give you something perfect with the commands of the world (Satan image). So absurd, because if the fallen man is anything in his own wisdom that is made according to the image of God, the highest realm value and position, much less Satan a fallen beast, the fallen men and His death glory now, will be God who is the head of the world. The devil while he has followers believers to his law or “world”, he will feel strong and when somebody tells him what *he is* really through the reflected image of God he weakens before the real perfection. All that there is in the system world was created by Satan from the fall to brake to Christ and His church IN GLORY in the man, (the glorious manifestation of Christ's body). To see who he is enough with looking to God to believe Him and

“to know Him” so that the works of Satan would be discovered as the nothing.

Is there some how of Satan something that has come out good? Christ is holy and saint: “perfect and good”. See the world like it is, and what has made with his rebellion going on! Why then we should trust something that comes from the world? Is it that you don't maybe realize that the rebels want to establish their reign with their lowness without being? with their fall? Is the man without God something? Is an angel something without God? If you know to God as all powerful I invite you to tell Satan what he is, Who? Ignore him and only give up his system seeing from where those commandments come from with which they tent at you, and don't idolize them, neither adore to the devil and believe to God, to His word and “BEING”. Satan is not God so you don't have to obey him at all. If he is not, then so I can tell you with all certainty that what they tell you “the world and Satan” is for their own destruction and death. "If you adore me, I will give you all the Kingdoms of the earth and the glory of them because they have been given to me" he says... (thanks to the man when obeyed to him in the fall)... He says this way! imitating what truly gives you God like a promise and what he did when created to them man, Mathews 5:5 The earth for herence! Romans 8:32.

The man gave the earth to Satan (to the serpent), so all authority was given to the devil in the earth after the fall by the men; this until Christ's coming who is trying in His coming IN US in this moment by means of the church and His word of recovering it, and He will make it in the overcomers. 1 Corinthians 15:24-28. The first condition of entering in the Kingdom of Satan is to give up the will of God to produce the designs of an exiled life of the perfection of God in “the world order”.

What you expect from the world? something good? some full realization as men or women? do you trust Satan? a fallen creature that was expelled of the wisdom? wisdom is the image of same God manifested, Or do you trust the absolute government of your life in the lovely hands of the highest one? or but well you want to continue adoring Satan? or in the Son of God?.

"If prone me adores, I will give you all the Kingdom of the world and its glory...? Satan and their followers offer to you...

Do you look for the glory in Satan? perhaps in the death? or in the creator that is of where comes all glory or life? Are you looking for glory and acceptance in the kingdom of Satan? or in the Son of God? Allow me to tell you that if you are still valuating yourself according to the world with that "small sin" call "boasts-vanity" or to be "male or female" according to the flesh, according of the world values... you are already prone before Satan because you already participate of the works and glories and works (manifestations) that the fallen beings offer to you for that reason freckles... You have already embarrassed to our God leaning the commandments created by a rebellion. Are they the commands of Satan better than those of God in His word and works? Do you wait praises of the kingdom of Satan and its followers? Men's commendations? men's approval? acceptance of among them according to the world and its values? it from your physique before the women? or the opposite way? Will you praise yourself to yourself, or will you praise to your God for the big thing that He is? Do you really know to God? Die to yourself Son of God and live for always! Allow me to tell you that if you really know God already you are enjoying His good will and His love that it is not comparable in Him but minimum the filthiness that the devil offers with the government's wealth and Kingdom of Christ. What it is Satan, a fallen angel before us the sons of God in the man? What it is his reign towards us the Sons of God? The world now belongs to Christ thanks to the cross He recovered the Kingdom there, Everything from the Cross is of God and the church should be snatched it to Satan in this time, to the old owner thief, recovering it in sanctity in Christ. If you accept the designs of the world and Satan you become his slave. Who it is Satan and the world so that they to judge you? Are they in the truth or you? Who is in you? A Son of God, Christ in you, the glory of the highest one in you, the Throne of God in you? or the throne of Satan? The throne of God is in you! That life that you have in your heart is not anything less than the perfect all powered God! He is you life! He is who lives for you and who is telling you with His word the order and the life that you bring there (HE in the image of God) "HE IS GOD'S IMAGE". The life of God acting in You it is the image of God! Then who Satan is a fallen angel so that he tells you the type of life you should live or to be as life? Who the world is to decide which the best life is or "order" that suits to the man, or to a Son of God? Aren't the mundane ones saying you instead of God what you should be? ! Brother! stop of believing in Satan and his followers, their opinions, their reality! You are free in Christ. Don't you see the works of Satan and the world? Be not then mundane Son of God! Be just

him "the Lord" with your goods works, those of the perfect Spirit! Just him according to God. His GLORIFY image. He is already glorified in us. What says the writings of what is a man and a woman? I assure you that it is not what the world tells us. Why then the church still obeys to be mundane and carnal? Ephesians 4:12-15. Santiago 4:4 - 3:15. If you value yourself according to this world allow me to tell you that you are in perdition. Isaiah 14:12-17. Ez 28:12-19. Luke 4:6-8. John 3:19-21 - Rev 12:7-12. Stgo 4:7. " The one that is not with me, against me is... ". (The one that is against God and his image, takes the image of the wicked one, and the one that trusts to the world adores the image of the beast). (Or you obey the image of the GLORIFIED Christ in you the resurrection, or you obey the beast and his image...) Thanks to God for Jesus Christ that we are death with HIM and restored in the Father, for not having part with the worshipers of the beast and His image, amen?... if you accept the commandment of the world or Satan you also accept its trial about that command if you don't obey to it! You have given them that faith! it condemns you! It tells you that you are not true man or woman if you do not obey. Satan to nobody is not going to say what is good and what is bad ever. Is Satan guiding your life or the will of God, His word, his perfect image which comes from the holy Spirit is our new life?...

If something doesn't come from the image of God in you, it belongs to the devil. Allow me to tell you that the power that you are restraining of the devil, it is because you are already inclined to recognize him as your guide in some area (for deceit and lack of growth in the image of God), you have allowed him his glory or order that is "FALLEN-dead" in your life. His low glory of fallen angel "HIS MAN", therefore you have also adopted "his fallen image" that is dead! since he stopped to be! and he transmitted you his fallen "and imperfect image". Ez 28:19. His power on the church only resides in that being as the truth, you have believed to some of his commandments from the world image receiving from its fallen glory through those from the world is governed. So already then covered himself his dead condition, when believing him to know an apparent new power against the church, which? the one of having recognized as "guide of your life" in some area, a mundane commandment valuating you on it as man or woman. That is to say having looked the "truth" or "the exit of your own disorder" in the deceiving lie of the world commandment ro truth, according wanting to continue "being" according to the commands and "supposed truth" of the world. This is like you wanted to leave a mundane "commandment of sin" to find the exit of it in another

imperfect mundane-satanic commandment order or being while being as them in their values. This is you have received “glory of the world” and that you have looked for their acceptance (you have wanted to be perfect, or “to be” in other words in the imperfection of the world); besides judging them to yourself by means of the same mundane command which condemns you in the followers of Satan (with them, that they already are condemned, “the unbelievers”, falling under THE DEVIL'S condemnation. 1 TESALONIANS 3:6. (They Make you to believe that they are perfect and good in their lie while you believe in their sin as well and perfect law, and while you believe them you will see them as truth because your faith in the world system. Satan is made this way your lord and judge by means of the world. but thanks to God we are perfect and free in Christ! WE “ARE”, we have His perfect image and we are perfect thanks to HIM that is perfect! Hebrews.10:14,15! We should practice it, believe it and honor it! They are the error! not the Son of God, NOT YOU, and although he deceives us we should understand that it is him the condemned and not us, thanks to Christ your life in you!.

When judging you according to the mundane command, believing him, you make yourself slave of that “apparent truth” that is not really a truth, (the world cannot tell us what we are truly as truth and reality), it is only a lie! You believe to the lie making it true, to believe in it and accepting it as a good work, “law” or value, because if it was not this way, you would not have believed on it, and that lie will condemn you until you realize it by means of the word of God and His truth! His image (that only He is perfect) the perfect man (God in us)!. All is a matter of the image that you have believed of yourself as being.

You have believed to the mundane command as a truth (of being man according to the lie of the world) to find the answer of your problem or imperfection according to the same world (their deceit won't heal neither restore to any), wanting to be as them as a men or women competing to them in their reign of false values! For that reason you condemn to yourself, because you believe in the world still and not to God's image! Leave the sin that you watch and believe in the man as your god and truth not being! If it is not done, this makes Satan to glory on you as the church, since if you accept a trial of Satan, he will take from you hopeless and to the fall with “him” besides pretending him to be able more than Christ in you to defeat you because of the sin (power of the imperfection inside the imperfection), the imperfection of our own works as perfect. It

will accuse you that you don't work inside his system world when being a Son of God, neither in Christ by reason of the sin or imperfection of his works that you believed from his world and image, leaving you bundle as if he could conquer you, as if he was very bad and strong and if it was impossible to leave the sin. What really pursues is that you achieve his commandments (those of the world), that you believe that there is no way to escape from him of his imperfection, thing that only before the perfection of God, our new life, it is a lie, the perfection that is Christ and his life (the image of God by His Spirit) no by “ourselves and our own works” that are as those of Satan of imperfect” but by His works that He is in His Spirit instead of you. Satan achieves this way, that you don't see then through the plan and life of “God” his imperfection and the lowness of his roads, since you have believed to the commandments of the wicked you don't see escape since you want to work, function rightly, or “TO BE” still in his imperfection, because the world is imperfect, and the devil also (anything of them is perfect). That is their defeat! Glory to God for HIS works, for HIS perfect image in us, HIS own life, we are perfect thanks to HIM! If you don't achieve the escape, Satan glories that he is perfect over you (since you accepted to him as your judge, believing to the world like a light) competing with the Highest BEING (while you believe him for the accusation of their fallen works in you, you have accepted him as your judge, saying him that his world can be perfect in its order AND to bring the man's truth) since you don't see its imperfection because you have believed in him, in the world, and not in God, to its imperfect life in you. Then you will see that of the world “good” and this way that of the “devil” also as good, while you lower at that deceit of imperfection and try that “to work” or “to be” as the world says it is the “truth” as man or woman to be; and if you cannot be as the world says what you have “to be” (that is to say the perfect “mundane” that exists without defeat or imperfection in the world; like man or woman among them in the world, with such as complex, weakness against of the sin, or imperfection etc), then he condemns you to tell you that you are the one that is in a bad condition, and not his world (they thinks that is perfect). If you allow yourself to accuse for the trials of the world in this case, you will find that it is impossible to complete its designs and ordinances, not even working in them as what they say of what it is to be for man and woman as the world says, finding the frustration; where then it accuses you to condemn you, that you don't function and that “the world” does, and is too perfect in its ordinances and precepts to be “man or woman” like them and that you are a Christian for this, since he “or the world” is the one that is bad

or in imperfection; this is like to say... "I can do sin and you don't why are you so weak?" and that it is the pattern, and you are not able to... Can't you be like us? they condemn you"...Are you a fool? paralytic? or little man? or incompetent? stupid? few man? few women? ugly? small? weak? That is to say: "As God made with him, He was judged in the truth, so he wants to make now with the rest..." in his rebellion he doesn't accept his blame. But it happens that he is the imperfect being! not God and the Sons of God neither, that are "the true being" the light, the perfect being of the world. This is our battle, and it is won already thanks to Christ the perfection, our new life, the old one is crucified by Him in the Cross.

Satan judges and condemns you with the world, as if you were not anything as Christians, devaluating you with the mundane ones. This is the world and Satan and the men without God that wants to be perfect being in the fall. They say to Us: we are...! uyyyy and you are not able to as us...? That is because you are not anything... they say... (for that reason freckles, as if God was very little, lower, weak man according to Him but he is who is not the man... he died! Stopped being a true man and true woman in the world!

For that reason you could freckle and sin trying to be perfect like God without the life. It acts then in two ways: 1 - He accuses you for exalting with those of the world (their followers), and 2) then condemns you to humble you. So they charges strength in their reign (the demons) accusing us; if you give him glory or you believe him in other words in their accusation being Gods life, you humbled to them to the world and Satan as a truth, and they gave you the glory of the world! their glory! the imperfection, their reign, which is dead! and their judgment! the concupiscence and filthiness. Did you look for your glory there, did not you? don't to him you believe? All of that accusation is THEIR condemnation not ours, thanks to Christ; for this reason those that get lost will be condemned with him, but... of course that you were able to humble to him making of them the perfect ones and you the imperfect one when believing to them. And in this was tempted to the Lord, "If you prone to me adore me, I will give you the Kingdom of the world and its glory"; However the Lord reprehended to him! He preferred the Father's glory and He was not allowed to be tempted for a dead creature, convict, exile of heaven, without glory really... What glory could they give having lost it? amen?.

In the system world, it is who approves and who discards... just as God judges but in true justice and (perfection). If it gets somebody that listens in his condemnation, opinion-judgment, that pays him attention, to the devil in the world where his thoughts are manifested, he glories on that person feeling similar to God in judging to him! But... he already isn't because he died, he is dead in nature... he is not God who lives, he was already judged and he has his own imperfect kingdom for the eternity on his followers, that allowed to be judged by him and they don't give up his reign and image (they adore his image). Satan thinks, but what he thinks is not from God! God decides, He doesn't have to think to make something perfect. Satan was heady of the perfect decisions of God, His life that is where we only could be perfect. Then any "supposed perfection" of him, is not perfect, so he gets angry with God because all the decisions of God are perfect, and it is in the church where that perfection is manifested, seen and must be proven on by the other hand in the world God will show Satan imperfection. This is the hate of Satan towards the thoughts and works of God: That God is perfect and not him, neither his kingdom. Their works show to him their facts and decisions are this way "imperfect". Each satanic decision is a defeat for Satan. Sooner or later he will be discovered on his lies an imperfection. The man believed to Satan and he died, and now he has the sin of him, to be as God of himself. For that reason it is that what comes from the world comes from the satanic condition deprived of the truth and also are "dead". It is to say deprived of truth forever. The decisions of God are the perfect things... Only God can decide, He only is the creator... amen?

The word says that Satan was exalted himself and he wanted to be similar to God. God allowed him to tempt the man in Eden to prove them. What for? to see if he obeyed him or did not. Allow This way that Satan tempted the man wanting to be similar to God trying to form an own host and kingdom, an Eden or "Adam" for him and all his followers to form "the world" to compete against God and to combat to Him in their realities. Satan should be judged in paradise by the man... so that he worked it and KEEPS it, as in book of Genesis web commanded, but the man gave him space and he fell with him in his perdition, Satan (the man and the serpent made one were heady was of heaven. The death, the false Satan glory and being without "God the life" entered because what he wanted is really to produce LIFE like God does, and it was created in that

moment by the fall of Adam of the Glory of God “THE REAL LIFE”. Satan felt strong because nobody (the men in that time) judged him at that time about the death (the men didn’t at paradise making him as him was life) and the death power reigned until today. At heavens we know that Christ destroyed it but this should be a reality also manifested by the church on the earth, and the Church has the mission of manifesting it to the world (1 Peter 2:9).

He believed that he was as God over the men, but his first defeat was when the first man died after passing some time, (there he inherited the kingdom of the death, the “1st Satan punishment” thanks to men obeying and he instead of being made king of the heavens, king of their death were made, their inheritance to rebel instead of the life that he was and what he had coveted, because wanted he was God, and Satan said: "you won't die..." to the man, competing with God on what he said was going to happen if he ate of the fruit, and he inherited the punishment, “the death” as result, in him and in all his followers ahead of Adam, in their sons also, because of his faith in him, so he is already defeat since the beginning but he does not accept it. He cannot give life although he yearns it, because he wants to be as God of good, but he is not able to produce it. However, he wants to continue deceive with his trial and condemnation, because he is not the light that liberates you of the death, Christ is the light! the Tree of the life and then all latter will discover that Satan IS NOT GOD by action of the Church. But while he has believers and don't have who remember who "he is" a fallen dead spirit (from God the life) creature in the world, he strengthens. His defeat is with the Son of God the church, who will judge him very soon by means of their fair works, order, by the perfect image of God, the man's truth. John 17:21 and through the revelation and testimony of Jesus, the immortal (the manifested image of God or the real life).

It happens that Satan to be deprived of God and HIS thoughts, all that thinks and he makes is opposed to God this it is his punishment, something that embarrasses him for the eternity producing death as the source of what he produces. He is disobedient 100%, anything of light and life as spirit. Satan every time he sees the word of God to be completed suffers big crisis, since he wants to produce such a true word than of God by himself but “without God”. He wants that, without God to go everything perfectly and that those that believe in him were happy with His world and kingdom (the serpent was the smartest beast of the field).

It was found too that instead of life what he gives is “death” to its followers, and is it this way the man that takes his image from the beginning, that is the why everybody dies. For that reason a holy church, without stain, or “accuses it” and he would not tolerate it, this is Christ manifested in us! but it is the perfection, (the church) who would teach to the world, Jesus followers, that he (Satan) is imperfect and with it his trial with the light and life that they transmit and shine from them. The church is the instrument of God to embarrass him. It is same Christ in the men. God is the wisdom since everything was created by Him and for Him, this is to say “the perfection”.

God doesn't make imperfect things. The man was perfect, he was the image of God and God is perfect. Only God knows what the man is, and so that to what he was made for and that he was made for only Him to function well and properly. Only God satisfies him, nobody but at least can suppose it. Equal happens with the universe and the universe.

This way the only one that can restore the disordered things to be ordered is God self and He gives satisfaction to all to live eternally as He is. The only one that can restore it is Him with His life, not with our own works and domain (thoughts). The man's ailment, emotional spiritual or physical, it is God who can heal them. Hebrews 10:14. The perfection, Christ undresses to the disorder of the things, and with it, the low fallen and exile that Satan of the wisdom is, also this world.

To see to God is to see the perfection. The problem of this world like follower of Satan is that they want the perfection by themselves of them, without God, without the perfection, having believed to the ones that don't have to God. This way by means of their commands (through the world) that they believe that they have kindness or goodness; that is to say “perfection of themselves” too. He wants to love, but as if he was capable of himself of producing it (Satan and his followers), being loveless “off” of God, the love. Everything was created by that love, this way Satan is already defeated because only God possesses that love that “creates” all the things and maintain them up or alive or in existence (He is the substance of all), so that can restore and to give life. Poor Satan! wants to be similar to our God so that they praise to him for some merit or love, but he is not able to produce it because he is separated from the Glory of God, the “truth”, the love. That is his punishment. The one that

knows to God conquers to the world and Satan because you see him, then God judges him (the one that goes to God sees the error).

Satan also coveted to God, then also to his love but he doesn't want to give glory to God, because without Him (of God) there is not love. The opposite of love is to hate, and hate is what Satan produces when wanting to love by himself! what sad it is, he hates when wanting to love, but he is not able to find it ever, (that it is their punishment and their eternal fire) that sad he is, since he is deprived of that love. The Father's desires are love, the universe is love.

Jesus loved us because He obeyed the love completely to “God”, for that reason is creator. Many think that Jesus died for love to us as if he was love for himself of his flesh, 1st Peter 3:18. Jesus is love because he obeys the Father's love and to His being and both are ONE, God is love, so He is love. If not He was a dead as us; we will never be able to love, but He does it, our new life before the Father. He was THE ONLY-BEGOTTEN SON OF GOD. He didn't look for his own glory ever but of the Father. Anything can make the Son by himself if not that what from the father's listens "And the Father is love...", "In such way God loved to the world". Many treat to imitate the love of God in their flesh to produce love with effort, as if they loved, BUT IS A WORK OF THE DEVIL ALSO (an imitation of what God Is).

When God tells them to love, do they make it with effort, trying and imitating the behavior of God with which end? of glorying in themselves denying to God the truth and the love. To say that the man has love it is to deny that “only God” is love competing with HIM; that is to say to do what tried to do Satan against God reign. If the love is not of God it is imperfect, incomplete and stumble. We should recognize first that there is not love in ourselves and our incapacity to give it, to let that God would be the love and to glorify for that reason to Him giving to him the honor, and that only the Father is perfect and love. If it is imperfect our love then is satanic and human and dead love. Satan doesn't destroy his followers because he wants, but for that his works are already for destruction and dead, as well as those of the man without God are. Satan is dead in himself “dead love”, as that of the fallen man. All that comes of below it doesn't glorify the Father but to our own justice. John 5: 41-44. John 7: 17-18.

How can somebody that doesn't obey to God have love? Some one that is not with Him? It is this way the man's love and that of Satan: imperfect. If you are trusting something of Satan in something of the world by valuing yourself conformed to this world or “being as it”, you no longer obey to God. Santiago.4:4. The cross should make its work in us so that we don't bring anything ours to the Father. “If you are Him already, you aren't in the world” it is was He said while He was in the world. He wants to see His Son in you acting and operating. Hebrews 13:20,21.

Many say that they love their brothers looking for own glory being Glorified themselves denying to “THE BEING” of the Father that is ONE” IN ALL, obeying to the FLESH. JOHN 5:30. Jesus was ONE with the Father. This is perfection and the Father in His SONS and their perfect unity NOT OURS are “TRUE LOVE”. The commandments of God are true love it exceeds to all human knowledge. The human love is short false and DEAD these are the men's works. If the word of God remains forever then also His love, because His trials are love, His works are love. The love is perfect and where God is there is the love working, because He is The working of “The life”. Where the man works, there is not love but own satanic and “dead” glory, because it didn't came from the Father's will and do not glorify to Him, but to the man. This way, the man is believed something, and Satan so much also, both competing against God if this happens. The defeat consists in that they anything have of the Father and when they are discovered their works, they reveal against who showed them, for frustration, condemning his “true” judge God's perfect life. This is the world and Satan. When somebody is well with what the world says, they approve him, and they loves him, and accept to you. This way the one that is not able to be in the world, or it is not of it, he is hated by the perfection preached of world, then it judges you because you are not with them. If you don't praise or accept to the other one in his rebellion, he wants to become your enemy and judge you, for not accepting the command or light the real judge, to God, but you should not believe to them, they are not the Judge, God is the Judge and he will judge to the world in their imitations of the perfection.

If you praise to Satan's world, believing to them, living as them in rebellion to God, then the rebel accepts you, he praises your works and he supports you, because their works and life are those of you. It is for that

reason that Satan tempts us, to the church, to be protected in his followers, in his commandments (word) and opinions making himself god, and so that they his world, never see to it their false god, covering of you. For that reason he hates us to overcome because we hated him so, “to their world” we would reject them, we reprehend their bad fallen dead works. Look at their works: The homosexual loves and defends the homosexual, but them hate to those that are not. Those that pay them attention are protected by them, But toward where they go? Are their works love or truth for that reason? They got lost in the eternity of the misleading. Dan 12: 2-3. If you love the designs of Satan in this world life he protects you and he praises you, this it is the order of the hell and Satan “their head”. But if you love the designs of God he hates you then because you didn't recognize him, you rejected him, you showed him that he is not God. The one that hates, loves to the one that hates that because they don't produce a bigger life. That is the life that they produce the world and their obedience to be sending and being guided without the perfect love of God, because He is love. When you try to understand the love of God for yourself you don't understand it because your trials are not those of God, your thoughts don't have love. For that reason when you judge to God in your mind you don't see the big thing that he is because your trials are low of stature, “deprived” of the love of God, to the stature of Satan because we are fallen outside him, for that reason we don't understand to God in our mind. It is for that reason that Satan, neither the world values to us since they don't come neither they have the works of God “His Spirit” and love. Only by the mind of the Lord, you will see the greatness of God, that is to say thanks to His plan, life, being, and the dimension of His commands or mind, as the truthfulness of them, because besides as big, they are executed and get materialized and that it is the love: “And all we know it by His Spirit that made us reborn of Him, from His nature”, that all that He thinks is made already, and all that He makes is perfect.

We summarize that in the "love" of Satan if you could be faithful, perfect according to the system world, his image, like form of life, and sin as precepts, nobody would judge you neither condemned you in the world, but if not, you are judged by the lowness of their imperfect trial or sins to cover them their fallen works of destruction, those of Satan for the imperfect fallen condition of him that who believes he is your judge because believes he is as God of perfect being not and being the nothingness. The imperfection of the world is its condemnation since the

man was made to be perfect as in Eden; For that reason he is not love, imperfection is not love... For that reason they sin, because they don't have love. We summarize that the one that sins doesn't have love. Only Jesus is love and we should go to the Cross for that reason to be recreated again all (to die and be recreated over the dead).

Satan found the defeat when the man fell and was believed against God and his word that he is something. God humiliated him since he checked the truthfulness of the word of God against any other different word that existed that one from himself, the man, created, (that of Satan and its rebellion) “when he died” (the word of God was true).

Even so, we see that we ALL die. With all this, many continue thinking that they are something against God denying it or doubting (this is ignorance). The death becomes the proof that the word and the man's commandments his trials are death. The man cannot give life but death, poor that doesn't have any love. The man's word is dead and it doesn't work not creates nor restore. On the other hand the word of God gave you the salvation when believing to Him, healing, and life over the dead. That is to say he gave you the life and life among the death! Eternal life, that is to say “Real life” not as the world does. The same death is the first defeat for Satan and to the man in wanting a Kingdom from themselves, competing with the truthfulness of God, this it is the destruction of the unbelievers and of the world.

The fallen man is now the same as Satan in his designs and desires of dead, also as for their trials characteristic of what is good and bad, are similar of fallen and also dead. Hebrews 6:1. (see dead works...).

Jesus is the REVITALIZING Spirit his words are TRUE and they are life. Satan hopes to receive something good thought of his commands, but his defeat is in that his own word never satisfies, if not but well it destroys and degrades the man more and more into disintegration. It takes him but to perdition or imperfection to continue to the imperfection. The man goes away more and more of himself obeying the rebellion of wanting to be as God separated from God the meaning of all. The man's degradation takes restitution in disagreement of his beliefs, being made more ignorant when not paying attention to God order. This will bring him but mislead and lowness making him more sober and hardened towards their opponents by opposing their own frustration before the order of his own

imperfection. They are “strong” then those that discover the lie and want the true justice, that recognizes their baseness and who is sincere before God on "his condition" and in his sorry. The man fell of the glory of God to the same man's glory, that is to say the glory of God was changed by that that the man without God is. Same, the designs of Satan are those that an angel without God produces being the life, so “death”. Satan time after time you see his defeat when the man leaves every day but imperfect and depravation in his road. He continues this way, but desperate, looking for commandments and more commandments like crazy, trying to correct that damaged in his world. But every time that he wants to correct his road by himself realizes that he is destroyed himself more and more and since the only restoration can make it God, that is the “image” of where the man came. It is this way the world and its wisdom. All that creates it, moves away more of the truth, because while it creates things, the one believes that is something by himself and feels capable for reaching God's wisdom and Glory, but this wisdom is opposed to the truth. It is a deceit that moves away him more and more of what the man really is THE IMAGE OF GOD. He goes away every time out of the wisdom. Example: The science, the medicine, things that takes him, to the deceit of trusting the lie more and more (or into the same death), when it has served him as an escape from some situation fruit of their own fallen condition, “and this because of his death”, manifested in illness. The world believes that someday the science will conquer the death. These are the means that Satan uses trying to recreate and to satisfy and to order the damages that his same rebellion causes, covering against you as believer. But the damage is not in wanting to solve the death by themselves, since that will be impossible, because the life is the God manifested through His word in the man. Only He conquers the death, Only HIS word will make it, because it is the life of God. God gave the life and the man lost it in Eden when surrendering to the death to Satan thoughts. Only God is the life, Then the Science is another trick of Satan against God to try to conquer His word and to refute it since the beginning coveting (“You won't die...), since he is not given to conquer it in the world in his competition with God, and he uses the man in his rebellion (his son of perdition) so that he to believe he is something and to try to destroy His word, to conquer it, by himself to continue being him in rebellion. This is a foolishness, and as well it will end up destroying to the man, because only it will create more disorder in the creation and deceit, because God is the only source of perfect life. If you believe in the world, it is because you idolize it, and if you idolize it, you also follow its

commands or its word; and if you fail in being able to be as them in their world, you will fall under the trial of them. They will accuse this way you of inapt for their kingdom again, humbling and judging you but (till hell where everybody will accuse to all body each other). All this with the purpose of to be ennobled over you and to judge to God in you, for the trust that you had deposited against him of the world; because in the kingdom of Satan (to them) only exists “glory” against the one defeated, and to who is “imperfect” in their world; that one who recognizes before God that is not perfect and he humbles to God and he goes against the world 1 John 2:15-17. Who is not weak?, is this what Satan cannot listen this is to the kingdom of God. Satan glories on the one defeated, humiliates to him, and he wants to point out him his weakness until he is condemned and destroyed and die if it was to him possible, so that they don't judge him that he is the guilty of all that is fallen (real weakness because he has to lie to BE), if they discover him in the world. The demons don't want to recognize their defeat humiliation and imperfection, for that reason it is that we conquered and overcome. There the defeat of them is the deceit of their eternal perdition having stopping TO BE, this is seeing their own imperfection. Imperfection is to stop being. If you believe to Satan, having the Lord, you won't see their lowness and imperfection; but if you judge him in their designs through the word imperfect and dead workd that they produce and are, to their works with “our value and perfect celestial order and life of Christ, with Christ self” they are defeat and humiliated, because it is the exit to the “humiliation of the devil” since you will see this way the perfection and the eternal life of Christ. In Christ we are perfect. This trial is to see them comparing them with Christ's perfect light and life for the man and the woman through Gods image order as we have seeing in this study order. Judge them according to the life that acts in you, Christ, and you will see their baseness by watching God's perfect and His eternal life that never ends.

For the world to adore you or to proud you, you have to be the best adorer, the most obedient of among of their designs and creeds, and the world loves what is of it. This besides that to obtain “that glory” that the world can offer to you, have to surrender fully to all that they say and besides being a leader in the world rebellion as them try to be, or to be the guy that “has more glory there”, or to try at least to have it fighting with them. They are sanctified (or it is their perfection) by being and existing

fitting in their world, and us in Christ in the truth the real and perfect thing, being His image and perfection.

They try "to be" the best thing in their world or in their baseness, and us: Our Christ our Lord and new ETERNAL life, OR OUR LIFE OF EVER.

The difference is that them when trying to be perfect in the world they become more imperfect... while us really more perfect. hallelujah.

If Satan is exiled of the love of God it is impossible that he produced works of true love. The thoughts of God, His life is real love, for that reason God tells us to be sanctified IN HIM in His mind... for that reason His trials are so good and logical, as well as his perfection is due to his love.

Then? to where will take you the love of Satan? TO where will take you the imitation of the thoughts and love of God done by yourself? Your own ways? are love? are you sure? did you conquer the death? do you no longer need of the creator? or more well is not Him the winner? or through you in Him the resurrection? the love? the life? In which lord or "BEING" are you being glorying? in you? in your justice? Logical that Satan love will take you to make bad works being deprived of that who really loves: CHRIST, GOD. God is love! Why does the man sin? : For he doesn't have love in himself for that he is imperfect! Although someone wants to make the wellness, what takes place is the smash of the law, because he tries to be love by himself... That is to try of "TO EXIST" "TO BE" or "TO LOVE" without being God; God is the one that only "IS" and EXIST! He lives forever BECAUSE HE LOVES! So we see the concept of love so difference when we know to God. Love is perfection AND ETERNAL LIFE.

The man is deprived of the glory of God. When the man wants to imitate o produce the love of God he finds the lower commandment that exists, selfness and dead love, a shadow of it. If you don't know to God, you cannot have anything of love although you attempt it, you are trying to produce what you don't have. Your works will accuse you sooner or later "your own imperfection and selfness". The glory is of God and of anybody else. In the measure that you teach that God "IS" to others, you are teaching the love and god as your life. God is the love Not us!. Watch out on this!

Satan wants that somebody listens to him through the world and his works, that is his creation and his commandments to give you of the love that produces him, his fallen works “death works of the flesh” that is to say, to imitate or to produce the commands of God for that reason they are his works so low because they don't come from the love of God and of His perfection or perfect love; becoming it then but lower than exists in all his commandments and results. He wants to love but it is to him so impossible that he becomes on total hate, because he doesn't have anything of the love of God; he humiliates us because he is defeated by the love of God in us, His life. If something doesn't come from the Spirit of God it is no longer love, it is “own glory or vain glory”, "competition" against God; therefore it is adoration to the system and to the devil's commandment "to produce something of himself" of what God only makes and IS... We should try with our siblings according to the Spirit, and not according to our own treatment, or according to of what we believed that it is the best thing to judge the things according to God, if not according to the image of God not hindering the reconciliation work and trial of God towards what is of the flesh, but according to the will of God to obedience to the Spirit; This and only this is love. Many times we think that our operate or our ministry is according to love. But? where is between both “God”? How was God before that brother? Which is his situation with God? did you show it? then if it was not this way you didn't work according to the love of God, if not according to this world and their justice, you covered to him! what you made didn't glorify to God if not to you... looking for your own glory **LOOKING FOR ADORATION**. First it is the obedience to God, and to bring the Kingdom of our God that any work of our flesh that wants to do things, even good things before our **JUSTICE AND TRIAL**. The perfect direct work of God, is the true love, himself!. Let us don't put on amid what God wants in His will towards the man or the woman (in imperfection), so that, they participate of the perfect love of God that is eternal life, The perfection, His living image. 2 Corinthians 10:4-6. The kingdom of God is according to the trial of God, not according to that of the man, otherwise we will be trip out of the Kingdom of our Lord, to loveless. That is the love of the world, imperfection! and the world is this way to tolerate the intolerable thing!. It cannot have love with sin between! You better preach of Christ not of You! Glorify Him. You owe to ministry according to the perfection of

God, of Him by The Spirit being or if not do not ministry! The flesh is not passable in any part, neither its works!

This is love, the sanctification in the truth. Everything by means of Jesus who loved us first, gave us His life, so that we don't participate this way of the devil's works. 1 John 3:8. You show the works of God to other so that they see the love by His perfect Spirit. Practice it showing life to your fellow men by means of the true image of God and order, so that the world can know the truth! Manifest Christ the Perfect ONENESS, this is love: to fight against the lie is true love, not to hide it.

The works of the men are anything before God since they don't have His love. Do you want the love that treats to produce Satan? OR God's? Are they bigger the works of Satan that those of God? Judge the devil for HIS works (the flesh works) and you will see that in who you trusted the past, the world, doesn't have anything. This is their defeat. Satan wants you to stop believing in the word of God and in the will of God that it is the only thing that judges him and defeats. Satan denies it to be glorified himself, he masquerades and creates thousands of "false gods" for never be seen before the men in the true image of God, in Christ's perfection. Those gods created by him, never show the perfection, what achieves it is never to see the perfect will of God that judges him and that tells him he is the death giver. For that reason it has still created so many doctrines with partially true, of the flesh among Christians, so that they don't find the truth that judges him and pointed out the perfection of God in the man; that is a glorified perfect man AS HE IS IN HEAVEN.

He says he loves you, my word is good, and if he can convince you somehow that God is not, he does it. For that reason he opposes himself to God in the men. Satan committed largely with those that believe him in rebellion, being rebellious, because if his commands fail to them, he would be humiliated before his followers someday. The whole Universe responds only to the word of God, same universe, because everything was created for God and in function of HIM; for that reason His image liberates us. Satan cannot use the word of God without to deny it and to change it in something, because he would be seen himself, his defeat (God image), would see before this that he is not God. The opposite would be to accept the perfection of God, his rival, Christ manifested in HIS church the

perfection! That lower he is, he always has to lean on in something of the word of God and to imitate it, to be able to come closer to something perfect. This is their low reign of fallen ones. That low it is Satan and the world; the only very perfect thing that they have in that they can deceive us is that they live and they use commandments of God partially, trying to deceive and be to same God, because the minim comfortable thing that they are is because they believe in something of the order of God partially in their society. They use things that some alike what God says so that you believe that they are perfect. That is the society in that we live. The little of good that have it is because they have taken something of God, and their laws like form of life from the Babylonian church. But to take it partially with values of the blended own, of satanic glory, it will never be seen the perfection, the truth, neither the devil's imperfection; but by means of the true church "the elects", then is discovered Satan, by means of the truths that the Holy Spirit gives in these last days. God has already shown clearly His image to us, and for those that look for Christ's Kingdom and its coming or its order, the restoration of all the things and the perfect order. Those that yearn the perfection of the paradise before the sin! discovering Satan before their followers by means of the truth, and making them free of their slavery in Christ Jesus! If the word of God is not pure, Neither His image in you, satan this way, hides then among us, because we don't see his condition and imperfection in his man and woman created, so his defeat. The word is pure when it doesn't have anything of its kingdom, and its kingdom is the world. If someone glories totally in God in his man image or woman image, this will have pure doctrine and being, but where there is something of mundane vanity being conformed as this world order about what men or woman is, of the concupiscent or mundane carnal man, including equal women forms, among the sons of God, it is that Satan is in the doctrine that you practice by ignorance of His image.

When I say Satan, it is because that his trial has not arrived "in" those people (they have not been judged in God all his works as fallen men or woman). Only the image of God will make perfect to the man. Since man obeyed the voice contrary to God (the same sin of Satan), Genesis 3:22, the man was made slave from the opposed satanic commandment and got satans image to the will of God, to his word and image and design. When we say His word, I don't refer to the letter that kills, but to the life and manifestation of the Holy Spirit life in us as He is, that it is His Alive and

effective word... Romans 8.14. The word of the spoken Spirit, the true living image, thoughts that comes from Godself.

Satan as always in his arrogance, he hopes the man praises him, so that he recognizes his commands like goodness. The word of Satan was: "You won't die (until here his own word) but rather He knows God that you will be as Him", but God Told him: "you will die if you do it... ", But Satan challenged the word of God imposing his as the true, since it wants to be seriously as God by itself. The first defeat for Satan and its demons was that the man died showing it is not God (the serpent) which became the fallen dead man (its creation).

Satan told him that he would be as God, but when not being completed the word of Satan toward the death, himself and the followers of him saw that he is not God and also him the man, already checked neither when he said "you will be as God..." it will be completed, when it takes acting the death, and the works of the slavery, the man sooner or later will realize his misleading so Satan did although he doesn't accept this fact. The word of God never failed, defeating him and denying to satan, stopping him "to be" for always" (became a lie, a falseness, and falseness does not exist). Praised God that although the man obeyed to Satan, He didn't suffer any defeat, but he defeated to the man when believed in himself because of his inherence "the death".

If he believed to the devil's command, it is because the man also challenged the word of God denying it (his image) and to His word and domain over His creation as God He was, this is that he adored to Satan or to be trusted his commands and leads as god. If you want to still have glory of the world of Satan of about "man or woman" according to the order of this world and its truth and believes denying the image of God, already you are adoring him, but if you have been born of the truth, you will be the last there in his kingdom of Satan, for Christ's new life in you, depending on the number of the ties that you have of the world (of what you are believing of it) or of your trusted of the world.

If you believe him a lot, that is to say if you are very mundane, you are nearest to his kingdom because you look for more glory of their Kingdom, for what your condemnation is being bigger, condemnation that comes from Him over you (the lie, the devil, the wrong image of the world), towards the Kingdom of God (the life of God in you that don't let you be

there in the world). This is because when condemning you, you are believing in satans trial so much too, if it is much, the condemnation is because you trusted to his world a lot, (you are very ingrained in it), but because like you are really of the Kingdom of the truth (because you have born of the life of God in you too), when believing a lot in the world, you will work much less there in as the world (the Spirit of God won't let you be there). It is as wanting to continue be working in a world for that which you weren't made for thanks to Christ image in you now have that experiencing now.

It causes to believe that the trial that you carries out his world command or "govern" on you from them, in that area of your life, be bigger their condemnation over you, since you are believing a lot in it and in their truth, and not in that from God "His image" (your new life), what makes you the more weak seemingly in the kingdom of satan (and thanks to God it is like this). Before we were sold to the sin, we were totally of the sin before and there was not blame so. Now coming into the life the life of God experiences seemingly new blames that we didn't have before! it seemed that we are worse and evil now than before! But since we were born of the truth (then we belong to it) Satan carries out a bigger trial and condemns of his kingdom on you for not recognizing that he is really the convict (not you really) only on your values of it that still you carry; Because, you don't belong to them (to the fallen ones) in anything, but you cling in entering or still being of them, or you want to continue belonging to them for ignorance of the victory that provides you the perfect image of God before the world; because, you were born and were created of the perfect image of God and only you will feel well only in it. Satan because of it, attacks to the church that is in obedience with a lot of insistence to tempt it to challenge it; since if the one that had humiliated him eternally (the victorious glorified church of always) for remaining in the truth and eternal life in heavenly places, she leaves into to believe in the lie for that fact, will condemn you vastly to get conceited on you, because his enemy (you now) shows weakness now to him; who humiliated him through the perfect God image for being in Christ, now leaves after the imperfection then could be this way an small thing that he uses all that can make to impress you and to feel big over you, when judging you and to feel for a moment that "is" "something" before you still, being a Son of God. Because the one knows who is the church "The overcomer" took place in its believe. If the church remains in the truth Satan is defeated, then: neither you believe to him, neither it judges you, neither it can

condemn you then this way, you are who judged him when not taking him into account neither to his followers in any aspect of life. He doesn't want that you stop to believe in the world for the faith in Christ, so that you don't see that misled that the world is to hide, but it is necessary that we judge ourselves to ourselves first for not being condemned with the world (Satan condemnation). The obedience to God condemns Satan, it leaves him as the disobedient and as an imperfect being. What cares if the demons accuse us? God is the overcomer already...

Will they have some good works with which to judge us? will they be perfect in something? see to the world today sodomite marrying among Gays and will you see what their world is! That is the expression of somebody that has denied the whole image of God in his life. Romans 1:23-32. Which the true shameful road will be? that of the world? or that of God? Ephesians 5:11-12. have for sure anyone of them groans to have although a tiny piece of the glory of God that lives in us, but they yearn it "to have it from themselves" to reach that perfection! For that reason they are this way: dead! for that reason they guard from us, they envy us with all that they have. We wish the Lord gave us light to judge the works of the world. Lets to be the word (the vision of the plan of God) in you, His life who judges to them. Don't listen to Satan in what he says, because is and is who will be imperfect for all the eternity and dead for ever, a dead spirit that cannot produce life ever, probe in the beginning when the man died and not lived as satan said. Satan doesn't have anything of Christ, anything we loose.

Rest in seeing the perdition of death of the enemies that accuse you, and who make fun of you, for their same word that will take them from perdition to perdition. Don't open windows to trust to them, because you are in on which is true. They will insist in that they are those that are well, and in truth and will accuse you that you are the lost, and that we are those that we aren't in the truth. Valorize you in Christ that from glory into glory you will recover the lost image of the Eden and all we had there. Someday not very distant, you will see yourself in the omnipotent and in all His fullness and then they will see the one that is true in you, and you will be for light to the nations and then they will walk after your light, and that our prize. 1 John 3:2. 1 Thessalonians 1:5-12.! we are Jesus Body and this soon will see it glorified with HIM in HIM, AND the nations will understand and they will cry to be outside of the invisible,

“the perfect ONE”. And Jerusalem will be the head of the nations and its light The church of the Lord.

Stgo 1:17-19.

Satan doesn't possess another power on the church but the lie word (its image OF THE BEAST) that gets tied up of his world over you, as if you were of him... since the power of God stays and anything can make for you to separate from God by nature. What is a fallen angel before Christ? are we not sons of God? 1 John 5:18-19. Everything that makes Satan it is to impress you of the light of God, to stray of it. He fights against the church trying to be real. But he already HAS stopped to be. He is eternally a fallen and dead angel and without light and substance. Isaiah 14:9 at the 17. Ezekiel 28:13-19. rev 12:7-12.
